Vol. 30 • No. 02 • February, 2023

HUMAN RIGHTS NEWSLETTER

A Monthly Publication of the National Human Rights Commission, India

NHRC camp sitting at Mumbai

The National Human Rights Commission, NHRC, India organized a two-day camp sitting at Mumbai on 11th & 12th January, 2023 to hear the pending cases of human rights violations in the State of Maharashtra. The Camp Sitting was presided over by the NHRC Members, Dr. Dnyaneshwar M. Mulay and Mr. Rajiv Jain.

Inaugurating the camp sitting on 11th January, 2023, Dr. Mulay said that the Commission has a wideranging mandate for promoting and protecting human rights in diverse areas. He said that the NHRC camp sitting is a unique concept aimed at reaching out to the doorsteps of the victims of human rights violations. He also emphasized that the State government should make payments of compensation on time to them.

Addressing the gathering, Mr. Jain said that there are various areas where the State Government officials needed to pay more attention. These included the functioning of Mental Health institutions in Maharashtra with a view to ensuring implementation of provisions of the Mental Health Act, 2017, standardization of compensation to those who died in judicial custody e.g. Haryana State circular, repeal of legal provision discriminating Hansen's disease (Leprosy). He said that State Human Rights Cell Nodal Officer should ensure quick up-gradation of responses/reports through HRC Net Portal of the

NHRC. He also said that the NHRC's Advisory on hazardous cleaning on 24th September, 2021 must be strictly followed.

Mr. Manu Kumar Srivastav, Chief Secretary, Maharashtra, Mr. Justice K.K. Tated, Chairman

of Maharashtra State Human Rights Commission, Mr. Manoj Yadava, DG(I), Mr. Surajit Dey, Registrar (Law), Mrs. Anita Sinha, Joint Secretary, NHRC and other senior officers of the Commission and the State Government were present.

The Commission heard more than 200 cases in the presence of concerned State government officers and the complainants. On the recommendations of the Commission, the Government of Maharashtra has paid Rs.32.5 lakh in six out of the seven cases. The State Government has assured compliance with the recommendations of the Commission in the remaining one.

The Commission asked the Government of Maharashtra to submit reports for the speedy disposal of cases. It has recommended that the State government formulate a uniform policy for the payment of compensation to the Next of Kin in electrocution death cases. The Commission emphasized that human

NHRC Members, Dr. Dnyaneshwar M. Mulay, Mr. Rajiv Jain and sr. officers at the Camp Sitting

rights issues not only pertained to police/prison administration but also to civil authorities. The Commission also stressed upon Prison reforms, shelter home upgradation, the release of interim compensation to the rescued bonded labourers and other provisions for their rehabilitation and said that final compensation must be followed. The Members also advised that the Chief Electrical Inspector's office carry out a public awareness campaign regarding safety measures for electrocution cases. The Commission had also taken up three matters pertaining to the Director General of Shipping and the Shipping Corporation of India.

After hearing the cases, the Commission interacted with the NGOs/HRDs. They raised a gamut of issues of human rights violations. These included patient charter to be followed by the hospital, bonded labour issues in construction sector, sugarcane, migrant labour,

"To forget how to dig the earth and to tend the soil is to forget ourselves." — Mahatma Gandhi

deaths due to unfair labour practice, domestic workers, lack of social security, etc.

The Commission appreciated the work being done by the NGOs and Human Rights Defenders in the State of Maharashtra and encouraged

them to continue to do so without fear or favour.

On 13th January, 2023 an interactive session was held with the Maharashtra SHRC to discuss common issues via use of common platform HRCNet portal, transfer

of cases to SHRC and other related issues. This was followed by a meeting with Mrs. Rupali Chandrakar, Chairperson, State Women Commission of Maharashtra and interaction with the NGOs working in the field of women related issues.

NHRC Chairperson, Mr. Justice Arun Mishra says using Hindi and other Indian languages necessary for the cultural unity and integrity of the country

Mr. Justice Arun Mishra,
Chairperson, National Human
Rights Commission, NHRC,
India said that languages play an
important role in the preservation
and promotion of the culture of a
country. Therefore, it is necessary
to keep alive the Hindi and other
Indian languages by promoting their
use in our day-to-day life for the
cultural unity and integrity of the
country.

Justice Mishra was addressing a function organized on 20th January, 2023 to present awards to the 33 winners of various competitions held during the Hindi fortnight in September, 2022 for the officers and staff of the Commission to encourage them to work in the official language.

However, the NHRC Chairperson said that there is

nothing wrong in learning different foreign languages but overuse of these languages at the cost of Hindi and other Indian languages may impact our culture and value systems. Therefore, all the mother tongues and national

languages need to be maintained and enriched.

Justice Mishra also said that when foreign countries have been taking advantage of Indian literature in the Sanskrit language, it is necessary that we also protect our culture through our languages and guide the world.

NHRC Chairperson, Mr. Justice Arun Mishra, Members, Dr. D.M. Mulay, Mr. Rajiv Jain and sr. officers at Rajbhasha Awards function

The NHRC Member, Dr. Dnyaneshwar M. Mulay also addressed the officers and staff and encouraged them to promote official language in their work. The NHRC Member, Mr. Rajiv Jain, Secretary General, Mr. D.K. Singh, Registrar (Law), Mr. Surajit Dey, Joint Secretary, Mrs. Anita Sinha, among others, were present.

Important Intervention

NHRC says all the 46 Government Mental Healthcare Institutions across the country depict a very pathetic and inhuman handling by different stakeholders

The National Human Rights Commission, NHRC, India, on 25th January, 2023, said that all the 46 Government Mental Healthcare Institutions across the country are in deplorable conditions and depict a very pathetic handling by the different stakeholders. The inhuman and deplorable conditions of the

mental health institutes recorded by it across the country, present sorry state of affairs amounting to infringement of the human rights of mentally ill patients. The cured patients are being kept illegally in the hospitals. There is an acute shortage of doctors and staff.

The Commission's observations have come on the basis of the visits

of the Full Commission to the four government hospitals in Gwalior, Agra, Ranchi, and the remaining 42 by its Special Rapporteurs in various parts of the country, who recently went to assess the situation on the ground and the status of the implementation of the Mental Healthcare Act, 2017.

The reports of the visits have prompted the Commission to take suo motu cognizance of the matter and issue notices to the Union Health & Family Welfare Secretary, Director General of Health Services, Chief Secretaries and Principal Secretaries, Health, Director General of Police and Commissioner of Police in the metropolitan cities of all States as well as Union Territories, Directors of 46 mental institutions across the country calling for the specific reports.

The Union Health and Family Welfare Secretary and Director General of Health Services have to submit the report on the status of framing rules under the Act, 2017 as contemplated under Section 121 of the Act 2017, as well as the establishment of the Central Authority as contemplated under Section 33 of the Act 2017, and filling up the vacancies of the Central Authority and status of execution of various provisions of the Act 2017 by the Central Govt.

The reports of the Directors of 46 mental institutions should

include the steps taken or proposed to be taken for filling up the vacancies of the Professors and other staff members; records of the discharged patients, who have been cured of mental illness, latest status of the emergency ward and other overall improvement made after the visits of Commission and/or Special Rapporteurs of the Commission with regard to infrastructure, vocational opportunities to the inmates, number of persons released and reunited with the family members with specific statistics.

The Director General of Police and Commissioner of Police in the metropolitan cities of all the States and Union Territories have to submit reports with regard to the status of the complaints received or registered relating to mentally ill persons', nonrehabilitation or non-reintegration with the family and measures taken or proposed to be taken to ensure that cured persons from mental illness live with the family and other members of the community. The reports must also contain assistance or other measures taken from District Legal Services Authority or State Legal Services

Authority, as the case may be.

The NHRC visit reports suggested that none of the institutes have taken effective and long-term measures to ensure that a mentally ill person can exercise his right to community living unfettered, unchallenged and/or without any hindrance.

Issuing the notices, the Commission has noted that it is categorically mandated under Section 19 of the Mental Healthcare Act that where it is not possible for a mentally ill person to live with his family or relatives, or where a mentally ill person has been abandoned by his family relatives, the appropriate Government shall provide support as appropriate including legal aid to him to exercise his right to live in a family home.

It has further noted that it is a travesty that provisions of the statute have failed to ignite the consciousness of the appropriate Government(s) to provide adequate support to such vulnerable persons who are suffering from mental illness.

Suo Motu Cognizance

The Commission took suo motu cognizance in 18 cases of alleged human rights violations reported by the media during January, 2022 and issued notices to the concerned authorities for reports. Summaries of some cases are as follows:-

Sexual assault of a prisoner by the fellow inmates (Case No. 2/30/9/2023)

The media reported on 30th December 2022, that a 22-year-old prisoner was allegedly sexually assaulted by fellow inmates in the Tihar Jail of Delhi.

The Commission, besides deciding to send its own team for an on-the-spot enquiry in the matter, has issued notices to the Chief Secretary, Government of NCT of Delhi and

the Director General of Prisons, Government of NCT of Delhi calling for a detailed report.

The reports should include the present health status of the victim prisoner, action taken against the erring officers and the accused fellow inmates as well as the steps taken and proposed to be taken to ensure that such incidents do not recur in the future.

The Commission has further observed that it has issued several guidelines, advisories and recommendations in the past to improve many aspects of prison administration but it appears that there is no perceptible change in the living conditions of the inmates in the Tihar jail.

Spurious milk selling (Case No. 2/34/4/2023)

The media reported on 30th December 2022 that refined and caustic soda is being mixed in one litre of milk to make it 15 litres of spurious and fake milk to reap profits in Dhanbad, Jharkhand. Reportedly, earlier, only water used to be mixed with milk but now urea, surf and starch is being used to make spurious milk to earn profit at the cost of the health of the people. This spurious milk cannot be detected even by a lactometer.

The Commission has issued notices to the Chief Secretary, Director General of Police, Jharkhand and the Director General, Health Services, Union Ministry of Health & Family Welfare calling for the reports.

Accident due to falling into an open sewer

(Case No.6/30/6/2023)

The media reported on 30th December 2022 that a father and son fell into an open sewer at Rohini Sector-31 in Delhi. While the father was pulled out and admitted to a hospital, the search for the missing, eight-year-old child was on by the fire-brigade team. Reportedly, the incident happened as the lid of the sewer was missing, which was perhaps stolen by the drug addicts.

The Commission has issued the notices to the Chief Secretary and the Commissioner of Police, Delhi calling for a detailed report in the matter including the present status of the rescue operation, the status of the investigation by the police, medical treatment of the rescued father and compensation if any, granted to the aggrieved family. The Commission would also like to know about the action taken against the delinquent officers, responsible for the tragic incident.

The Commission has observed that the police and local civic authorities need to be extra careful and vigilant to check that anti-social elements do not steal manhole lids and grills in the area. Hence, it would like to know from both authorities about the steps taken or proposed to be taken to address the issue.

Human trafficking (Case No. 35/18/5/2023)

The media reported on 2nd January, 2023 that Berhampur railway station in Ganjam district of Odisha has turned into a major transit point for human trafficking from Bihar to Andhra Pradesh. Reportedly, during the year 2022, a total of 343 children were rescued from the station but neither they nor their families were provided with the benefits of various

Government welfare schemes for rehabilitation. The Government Railway Police (GRP) and Railway Protection Force (RPF) rescued them but the persons behind their plight evaded arrest.

The Commission has issued notices calling for reports from the Chief Secretaries and Director Generals of Police of Bihar, Odisha and Andhra Pradesh, the Secretary, Union Ministry of Women and Child Development and the Chairman, Railway Board.

It has further observed that the Child Labour (Prohibition) Act of 1986 has been in force for over three decades; the National Plan of Action to Combat Trafficking for Sexual Exploitation of Women and Children was formulated by the Union Ministry of Women & Child Development in 1998; and, the NHRC's Standard Operating Procedure (SOP) for Combating Trafficking Persons in India was circulated to all the authorities in 2017 but nothing seems to have changed on the ground. The incidents of trafficking for the purpose of forced labour or other exploitations in the form of begging, sexual exploitation, and criminal activities continue unabated due to the lack of monitoring mechanisms and insufficient deterrence against the perpetrators of crimes.

Plight of women labourers in sugarcane cutting factories (Case No.67/13/1/2023-WC)

The media reported on 11th January, 2023 about the plight of women labourers engaged in cutting the sugarcane for several sugar factories at Srigonda Tehsil of Ahmed Nagar district in Maharashtra. Ten per cent of them are pregnant but unaware of their lawful rights and the benefits ensured under various

government schemes. They are not granted any maternity leaves and child care facilities and no healthy diet is provided to them by the departments concerned.

The Commission has issued a notice to the Chief Secretary Government of Maharashtra calling for a detailed report.

Beating of an elderly teacher by police personnel (Case No. 262/4/15/2023)

The media reported that a 70 year old man was publicly beaten up by two female police personnel with batons in Kaimur district of Bihar on 20th January, 2023. The victim has been teaching in a private school and was on his way to school when his cycle skidded and he fell on the road causing a traffic jam for a moment even as he was struggling to get up. This enraged the police personnel and they started beating him in full public view.

The Commission has issued notices to the Chief Secretary and the Director General of Police, Bihar calling for a detailed report in the matter. The report should include the present status of the FIR registered against the responsible police personnel and departmental action taken or proposed to be taken against them. The Commission would also like to know about the present health status of the victim. The report must contain compensation, if any, paid to him.

The Commission has further observed that the trauma of road accidents generally makes the persons involved in it, numb and nervous for a moment. In such situations, it becomes a moral duty of the citizens as well as police personnel present on the spot to help the victims instead of shouting and beating them.

Recommendations for Relief

A part from the number of cases taken up daily, 90 cases were dealt by the Full Commission in January, 2023. The Commission has recommended monetary relief of ₹.17,75,000/- for the victims or their Next of Kin (NoK) in the 04 cases, where it found that public servants had either violated human rights or been negligent in protecting them. The specific details of these cases can be downloaded from the NHRC website by logging the case number given in the table below:

S.N.	Case No.	Nature of Complaint	Amount (in ₹)	Authority
1	328/6/14/2017-JCD	Death in judicial custody	550000	Gujarat
2	8/34/10/2019-JCD	Death in judicial custody	700000	Jharkhand
3	3/14/14/2020-JCD	Death in judicial custody	500000	Manipur
4	12689/24/22/2021	Harassment of prisoners	25000	Uttar Pradesh

Relief on NHRC Recommendations

The Commission closed 10 cases, either on receipt of the compliance report and proof of payment from the public authorities or by giving some other observations/directions. An amount of $\stackrel{<}{\scriptstyle <}$.36,75,000/- was paid to the victims or their Next of Kin (NoK) on the recommendations of the Commission. The specific details of these cases can be downloaded by the NHRC website by logging the case number given in the table below:

S. N.	Case No.	Nature of Complaint	Amount(in ₹)	Authority
1	1640/4/26/2015-JCD	Death in judicial custody	500000	Bihar
2	2220/4/26/2017-JCD	Death in judicial custody	500000	Bihar
3	244/4/39/2020-JCD	Death in judicial custody	750000	Bihar
4	695/7/3/2020-JCD	Death in judicial custody	350000	Haryana
5	982/24/21/2017-JCD	Death in judicial custody	550000	Uttar Pradesh
6	28273/24/72/2019	Malfunctioning of medical professionals	100000	Uttar Pradesh
7	1130/36/22/2019	Malfunctioning of Panchayat in States	100000	Telangana
8	29/2/17/2020	Unlawful detention	25000	Arunachal Pradesh
9	1464/18/18/2021	Death due to electrocution	300000	Odisha
10	2304/18/20/2021	Death due to electrocution	500000	Odisha

Success stories

In many cases, the Commission received compliance reports from the respective state authorities. Summaries of six such cases are as under:

Death in judicial custody (Case No. 2220/4/26/2017-JCD)

The case pertains to the death of the Under Trial Prisoner on 3rd August, 2016 in the judicial custody of Adarsh Central Jail, Beur, Patna, Bihar. On the basis of the material on record, the Commission found that the deceased, aged 22 years, died under mysterious circumstances inside the toilet of the jail. The Enquiry Magistrate also concluded that the death of the deceased was not caused due to suicide but by strangulation. The Commission, therefore, recommended that the Government of Bihar pay Rs. 5 lakh to the Next of Kin of the deceased prisoner as monetary relief, which was paid.

Medical negligence (Case No. 28273/24/72/2019)

Allegedly, the complainant's son was admitted to District Hospital, Mirzapur, Uttar Pradesh for the operation of Appendix on 12.09.2019 however, on the advice of one of the doctors of the Hospital, his son was discharged and taken to Pitambari Nursing Home, a private hospital which is run by the same Govt. doctor. On 15.09.2019 his son was operated, however, he died due to alleged medical negligence. On the basis of the inquiry committee report, the Commission found that the treating Govt. doctors violated the UP Govt. Servant (Disciplinary and Appeal) Rules, 1999 and pressurized the patients to treat him at his private hospital and observed that the Government of Uttar Pradesh was vicariously liable and hence, it pay Rs. 1 lakh as relief to the Next of Kin, NoK of the deceased, which was paid.

Death due to negligence (Case No.1130/36/22/2019)

Allegedly, a man died after having been attacked by a pig in Nagarkurnool Dist, Telangana on 16th October, 2019, which amounted to negligence on the part of the Panchayat staff. They allegedly failed to take any action to check the freely moving pigs.

On the basis of the material on record, the Commission noted that an aged-old victim died due to the administration's failure to stop the wandering of pigs into the village. It recommended that the Government of Telangana pay Rs. 1 lakh as monetary relief, which was paid.

Unlawful detention (Case No. 29/2/17/2020)

Allegedly, the complainant was illegally detained as a substitute for his son in a small lockup room at the police station Kanubari, Longding

district, Arunchal Pradesh for almost 24 hours. The victim's son was allegedly wanted in a case of drug peddling. On the basis of the material on record, the Commission found the allegations true and recommended that the Government of Arunachal Pradesh pay Rs. 25,000/- to the victim as relief, which was paid.

Death due to electrocution (Case No. 2304/18/20/2021)

Allegedly, as per a media report published on 5th October, 2021, a man died due to electrocution after getting in contact with a low hanging electricity line while fishing in Brahmani River in Odisha on 24th November, 2021. The complainant alleged that the death occurred due to negligence by the Electricity Department. On the basis of the material on record, the Commission found the allegations of the negligence true and recommended that the Government of Odisha pay Rs.5 lakh as monetary relief to the Next of Kin of the deceased. In response, the concerned authorities of the state government submitted

that in view of the swelling of the river due to incessant rain, the level of water had gone up and the ground clearance was minimized. It was an act of God and beyond the complete control of the TPWODL/ Distribution Licensee, which cannot be attributed to the fault, negligence and the carelessness of the TPWODL officers and staff of the Electricity Department. They requested not to award compensation of Rs. 5 lakh and dismiss the case. The Commission did not accept the contention and reiterated its recommendations, which was paid. Further, the Collector and District Magistrate, Deogarh also informed that the benefits under various social welfare schemes of the State and Central Government have been provided to the family of the deceased victim. The wife of the victim was enrolled for widow pension under Madhubabu Pension Yojana and Rs. 20,000/was sanctioned in her favour under National Family Benefit Scheme. It was further stated that the wife and the minor son of the deceased was

enrolled for Ration Card under State Food Security Scheme and they had availed assistance of Rs. 2,000/under Harish Chandra Sahayata Yojana.

Death in judicial custody (Case No. 244/4/39/2020-JCD)

An intimation was received regarding the custodial death of an Under Trial Prisoner gunned down on 3rd January, 2020 by an inmate in Hazipur Jail Hospital.

On the basis of the material on record, the Investigation Division of the Commission found that the prison staff was involved in the supply of illegal weapons to the criminals in the jail. 15 jail officials were also suspended. The Commission has noted that violation of human rights of the deceased has been prima facie made out and the State was vicariously liable to pay monetary compensation to the Next of Kin. Accordingly, the Commission recommended that the Government of Bihar pay Rs. 7.5 lakh as monetary relief to them, which was paid.

From Investigation Files

Disposal of cases

During January, 2023, total 310 cases were processed including 04 spot enquiries, 214 Judicial Custodial Deaths, 40 Police Custodial Deaths, 34 Encounter Deaths and 17 Fact Finding Cases.

Spot enquiries

The following spot enquiries were conducted by the Commission's officers in its Investigation Division:

S1. No.	Case No.	Allegations	Date of visit
1.	568/33/2/2022	Mentally & physical harassment of an inmate by the Addl. Supdt. of Jail in Sub-Jail, Pendra Road, Bilaspur, Chhattisgarh	, ,
2.	4336/30/6/2019-DH	Shortcomings in the existing facilities including the medical amenities extended to the inmates in Asha Kiran Home, Rohini, Delhi
