Success Stories

In many cases, the Commission received compliance reports from the respective state authorities. Summaries of some these cases are as under:

Death of an Under Trial Prisoner (Case No. 3933/4/11/2016-JCD)

This case pertains to the death of an Under Trial Prisoner, Govardhan Bhokta (24 years), in the Central Jail, Gaya, Bihar. On perusal of the reports received, the Commission observed that the Executive Magistrate, Sadar, Gaya, Bihar, who conducted Magisterial Enquiry into the matter, had concluded that the deceased died due to serious illness and excessive bleeding from the wound.

Considering opinion of the medical expert that the inmate died due to medical negligence, the Commission observed that the State was held vicariously liable to compensate for victim death in custody and hence, monetary

compensation of Rs. 5,00,000/- was recommended to next of kin of the deceased prisoner, which was paid by the Government of Bihar.

Rape in Govt School (Case No. 89/8/2/2018)

The complainant alleged that two minor girls studying at the Govt. School in Chamba District in Himachal Pradesh were raped by the peon of the school and intimidation of the victims by the accused of dire consequences and inaction by the concerned authorities.

The Commission, on the basis of the material on record, observed that in such a sensitive and serious matter, concerned Central Head Teacher (CHT) of the school was negligent. It held that victims should also be compensated for violation of their human rights by the public servants. Accordingly, the Government of Himachal Pradesh was recommended to pay Rs. 1,25,000/- to the victim

girls, which it paid.

Death of a student (Case No. 380/33/0/2019)

A complaint was received that a Class-XII student of Kendriya Vidyalaya died while doing the activities in Swasth Bharat Swasth Bachche Abhiyan in the school. The Principal Secretary, Department of School Education, Chhattisgarh, submitted that the Kendriya Vidyalaya Sangthan has sanctioned an amount of Rs. 3 Lakh as compensation to the next of kin of the deceased boy.

The Commission while considering the facts and circumstance of the case observed that the amount of Rs.3 Lakh was grossly inadequate for the loss of a precious life and recommended payment of an additional amount of Rs.2 Lakh more, which was paid by the Kendriya Vidyalaya Sangthan.

From Investigation Files

The Investigation Division of the Commission disposed of 343 files relating to 225 judicial custodial deaths, 18 police custodial deaths, 52 encounter deaths, 02 spot enquiries and 46 fact finding cases. This column carries a story unfolding an intricate case of human rights violations leading to a diametrically opposite revelation to prima facie claims and findings after investigations by the NHRC team.

Police torture leads to death of a person in custody.

(Case No. 29616/24/54/2017-ED)

This case pertains to the

death of one Tulsiram Maurya on 24th September, 2017, while in the custody of PS Kadar Chowk, Distt. Badauyun, Uttar Pradesh.

After enquiry, the Commission's team reported that it cannot be ruled out that the prisoner sustained injury during the police custody. The police version did not inspire confidence. The midnight registration of cross NCR, medical conducted in the night & immediate conversion of NCR into cross FIR in a case of murder indicated that the police tried to cover up the situation after the condition of

Tulsiram worsened due to beating by the police inside the thana premises as per the circumstantial evidences. This is a case of blatant violation of HRs causing death due to custodial torture.

Accordingly, based on the findings of the Investigation Division, the Commission issued a notice to the State of U. P. through its Chief Secretary, to show cause why Rs. 50 Lakhs may not be recommended to be paid to the next of the kin of the deceased.
