Success Stories

In many cases, the Commission received compliance reports from the respective state authorities. Summaries of some these cases are as under:

Death by burning (Case No. 1746/12/37/2020)

The complainant, referring to a newspaper clipping, had alleged that the victim was burnt to death in Sagar, M.P. In response to the Commission's notices, the Superintendent of Police, Sagar, M.P. informed that the victim had a fight with some persons, who poured kerosene and set him ablaze. The accused were arrested and prosecuted. The Government of Madhya Pradesh also paid Rs. 8,25,000 to the NoK of the deceased as recommended by the Commission for its vicarious responsibility in the wake of unlawful action by the public servants in the matter.

Delay in the release of insurance claim

(Case No. 11756/24/57/2020)

The complainant had alleged that her husband was a policy holder of Pradhan Mantri Jeevan Jyoti Bima Policy. But after his death in 2018, she had not received the insured amount of Rs. 2,00,000/-due to the nominee under the policy. In response to the Commission's notice, the LIC informed that she was paid the insured amount.

From Investigation Files

Negligence of jail officials Case No.3089/24/31/2019-JCD

The Commission received intimation on 22nd January, 2019 from the Superintendent, District Jail, Ghaziabad regarding the death of an under trial female prisoner aged 28 years. The Medical Board opined that she died due to complications of HIV, a natural death. The magisterial enquiry ruled out foul play or negligence in the death of the deceased. However,

during the course of enquiry, the NHRC Investigation team noticed that the UTP was found HIV+ve on 09th January, 2019 and died on 17th January, 2019 i.e. within 8 days, which meant that she was already at an advanced stage of AIDS. If the test for HIV infections, as per the NHRC guidelines, was conducted at the time of her entry in the jail, she may have lived longer. Thus, the NHRC enquiry exposed the loopholes in the report and claims of the prison

authorities following which, the Commission recommended Rs. 3 lakh as monetary relief of the NoK of the deceased and action against the delinquent officials.

Disposal of cases

During July, 2021, total 40 cases were processed including 01 spot enquiry, 25 Judicial Custodial Deaths, 04 Police Custodial Deaths, 03 Encounter Deaths and 08 Fact Finding Cases.
