Awareness drive on patients' rights held

PNS ■ BHUBANESWAR

For speedy adoption and implementation of Charter of Patient's Rights in all public and private health establishments of Odisha, the Health Rights Group of Odisha, Oxfam, CCWD and Jana Swasthya Aviyan conducted an awareness drive in different slum pockets under the Bhubaneswar Municipal Corporation recently.

In the awareness campaign, patients shared their heart-breaking experience of health denial, negligence, adverse outcome, over charging in the private health facilities and how the basic health rights are violated.

The activists highlighted that even though the State has the Clinical Establishments Act but it has not been implemented properly to protect the patients' rights despite notification of the NHRC

and Department of Health and Family Welfare.

The campaign was facilitated by State convener of Jana Swasthya Aviyan Gouranga Chandra Mohapatra, secretary of CCWD Sadasiv Swain and others. Notable that, the

Union Health Secretary has written a letter on June 2, 2019 to Chief Secretaries of all States/UTs for adoption of Charter of Patient's Rights and its implementation with prominent displays in all public and private hospitals and health facilities.
